

SPEAKER LUEDTKE: We'll recognize you next. The question then is the return of LB 660. Senator Carsten. The question then is the return of LB 660 for the specific amendment by Senator Marvel. All those in favor vote aye, opposed nay. Record the vote.

CLERK: 32 ayes, 0 nays to return the bill to Select File, Mr. President.

SPEAKER LUEDTKE: The question then is the adoption. Senator Marvel.

SENATOR MARVEL: Mr. Clerk, do you have the amendment that I signed up there, the motion?

CLERK: Real Marvel motion found on page 635 of the Journal.

SENATOR MARVEL: I so move.

SPEAKER LUEDTKE: Any discussion on the Marvel motion? Senator Dworak, you wish to discuss the motion?

SENATOR DWORAK: I do. I think Senator Marvel ought to... I'd like to ask Senator Marvel for an explanation of exactly why he's doing this.

SPEAKER LUEDTKE: Senator Marvel, will you respond.

SENATOR MARVEL: First of all, on page 563, line 5, the word "motor vehicle" is there and the reference should be to "motor home". There are some who object to lines 3 and 3, which is subject to two types of interpretation, one of them is that the delivery costs of a mobile home would not be included as the delivery costs are for motor vehicles. They object to the fact that this is too favorable to those who own these mobile homes. Therefore, since this bill needs to be accelerated so that those whose taxes have been increased some place between 75 percent and 300 percent, have the opportunity, if this bill is passed by March 1st, to pay in two payments instead of one lump sum. Senator Dworak, there are a couple of drafting errors. We simply don't have time to do anything about it, so I'm asking it be withdrawn.

SPEAKER LUEDTKE: You're asking to withdraw....

SENATOR MARVEL: No, the motion is that the bill be stricken, or that the amendment be withdrawn. That is the motion. Senator Dworak asked the reason for it.

SPEAKER LUEDTKE: Okay, I see.

SENATOR DWORAK: The amendment that refers to Section 7, that total amendment.

SENATOR MARVEL: Yes, yes sir.

SENATOR DWORAK: Thank you.

SPEAKER LUEDTKE: That's the way I understand it. Any other discussion? The motion then is the adoption of the Marvel amendment. The bill has been returned to Select File. All those in favor vote aye, opposed nay. Record the vote.

CLERK: 33 ayes, 0 nays, Mr. President.
